Session will include:

Parents and their middle and high school students are encouraged to attend this seminar which will focus on a suggested curriculum that will insure both an on-time graduation (despite multiple school transitions) and a competitive resume for college applications. Research indicates that planning for post-high school education needs to begin in middle school. The college application process will be addressed.

Participants will receive a Chart Your Course Kit, which includes a planning guide, a calendar outlining college admission and financial aid tasks and an interactive DVD.
