MEMORANDUM FOR DAEGU HIGH SCHOOL PARENTS

SUBJECT: COUNSELING SERVICES

As the Daegu High School (DHS) Principal, I want to thank you in advance for your partnership and support these first few weeks of school. We opened with students having full and complete schedules, and then some students going through a few schedule changes to ensure they met DoDEA graduation requirements. Current enrollment is holding steady at 200. For school year 2012-13 we are proud to announce too that we have academic support and club time after school from 1430-1515, along with several new courses such as: Human Anatomy & Physiology, Green Technology and Engineering, Foundation of Algebraic Modeling, Art History, and Humanities.

Beginning Friday, September 14th, Mr. Tim Cochran will be working at DHS to assist with counseling services. Mr. Cochran is a certified counselor and comes to us from Daegu American School where he was working as a 4th grade educator. Should you or your student need to meet with Mr. Cochran, please stop by the front office or give us a call. You may also email Mr. Cochran directly at: dhs.counselor@pac.dodea.edu. As many of you know, Ms. LaKeisha Jones has been assisting students with counseling services these first few weeks of school. Ms. Jones will also be available during this transition to ensure students have the best possible services available.

More information will be coming your way regarding the PSAT, ACT, and SAT. We have not received the ACT waiver forms yet, but they have been ordered. The PSAT will be given to all 10th grade students and all students enrolled in AVID.

Thank you for your ongoing support. If you need to contact me, please email me at: principal_daeguhs@pac.dodea.edu.
